

Why Volunteer?

It is our goal to keep you both challenged and satisfied in your volunteer position.

We will match your skills and interests to the needs of the Park.

As a volunteer at MacArthur Beach State Park, you will:

- Use your gifts and talents to help **preserve Florida's natural resources**
- Meet new people
- Do meaningful and satisfying work
- Gain work experience
- Stay active and involved
- Help improve Florida State Parks

We provide orientation, training, personal liability coverage,

Workers' Compensation coverage and volunteer recognition awards.

Volunteer Opportunities

We offer a variety of opportunities to keep you both challenged and satisfied in your volunteer position, including but not limited to the following:

Natural Resources

Beach and Estuary Clean-up: Help us keep the environment safe and beautiful for our visitors and wildlife by removing litter from the beach, dunes, and mangroves.

Invasive/Exotic Plant Removal: Learn about native and exotic vegetation. Assist Park staff in maintaining our very important resource in its natural state.

Visitor Services

Beach Outfitters Gift Shop: Greet customers, assist with purchases and provide Park information.

Tram Driving: Enjoy a beautiful day outside, talking with and transporting Park visitors across the pedestrian bridge that spans the estuary.

Guided Nature Tours: Share your knowledge of **South Florida's coastal habitat with local school students**; take a group of Park visitors on a walk **through the Park's various plant communities**; or participate in our guided kayak tours.

Nature & Welcome Center: Greet visitors, help to maintain our exhibits, terrariums, and aquariums. You may be trained to assist in feeding the reptiles, fish, and invertebrates.

Natural Science Education Program

Share your love of the out-of-doors with the next generation!
