## Photography Waiver

At various times while participating in Junior Friends, the park staff or news media may photograph Junior Friends members participating in activities. These photos may be used for program promotions, presentations, brochures, newspapers, newsletters and/or magazine articles or news releases. Photographs are never sold and are not distributed to others (for purposes other than to promote John D. MacArthur Beach State Park) and are strictly used for program purposes.

### **Please initial the one that applies:**

\_\_\_\_\_ I allow my child to be photographed or filmed by Park staff to promote the Junior Friends and volunteer programs.

\_\_\_\_\_ I do not want my child photographed or filmed for any reason. (Please note, if you choose this option, we ask that you have the conversation with your child of what this means: not being photographed during the Junior Friends program and removed from group photos.)
