

Sponsorship Opportunities

Dear Local Business Leader,

On November 12, 2026, we invite you to step into an unforgettable evening at the **5th Annual MacBeach Gala: Mangroves in the Moonlight**—one of our most anticipated events of the year.

Hosted at the beautiful Frenchman's Reserve in Palm Beach Gardens, this signature evening is sure to capture the spirit and serenity of our beloved MacArthur Beach State Park. Guests will enjoy an elevated experience featuring curated cocktails, exceptional cuisine, live music, silent and live auctions, and thoughtfully designed moments throughout the evening.

Proceeds from the Gala directly benefit the Friends of MacArthur Beach State Park, the nonprofit organization dedicated to preserving, protecting, and enhancing Palm Beach County's only state park. Your support helps fund:

- **Environmental education programs** that inspire over 4,000 students annually through hands-on learning and field experiences
- **Sea turtle monitoring and conservation efforts**, protecting thousands of nests each season along our 1.6 miles of pristine shoreline
- **Coastal habitat restoration and preservation**, including mangroves, dunes, and estuarine ecosystems vital to our region
- **Public access and visitor experiences**, including guided tours, kayak programs, and interpretive exhibits that connect people to nature
- **Community outreach and stewardship initiatives** that foster environmental awareness and long-term conservation impact

We invite you to partner with us as a **2026 MacBeach Gala Sponsor**. Your support not only advances this important mission, but also positions your brand within a deeply engaged and community-minded audience. Sponsors receive meaningful visibility, including recognition in our email communications reaching over 7,000 subscribers, as well as across our social media platforms with a combined audience of more than 20,000 businesses and individuals.

Enclosed, you will find sponsorship opportunities designed to align your brand with this elegant and impactful evening. We would be honored to have you join us in bringing Mangroves in the Moonlight to life.
