2025 CAMP DATES

Sunshine Explorers Ages 6-8

**June 2 - 6 (Session 1), July 14 - 18 (Session 2),
July 7 - 11 (Session 3)**

Campers will be introduced to environmental concepts through interactive games, crafts, and activities while also enjoying swimming, the beach, and outdoor adventures.

Junior Rangers Ages 9-11

June 9 - 13 (Session 1), June 16 - 20 (Session 2)

Campers will snorkel along the shore, hike, swim, and kayak as they explore the park's habitats and learn how to be a Junior Ranger.

Marine Biologists Ages 12-14

June 23- 27

Campers will explore the coastal ecosystems by participating in scientific investigations such as fish counts on the rock reef, seagrass surveys, seine netting in the estuary, and interviewing a scientist.

.....

Counselor In Training Ages 14+

For students who would like to help make Summer Camp the best it can be. Earn community service hours while assisting with programs, safety, and helping campers have the best experience possible. A letter of recommendation and application must be completed. This program is very competitive, all that apply will not make it in.

Contact Sarah Norton, Director of Education, sarah@macarthurbeach.org for an application.
